MAYOR'S INAUGURAL ADDRESS

I take this opportunity of presenting my thanks to the electors of Kingston for their very generous support in electing me as Mayor for the third term, and I offer my hearty congratulations to those who have returned to the municipal work, not forgetting those who will be absent. We who have worked with the aldermen of last year and other years know them best, and I can say that they were men imbued with the principle of good, active and honest service. To the new members I extend a welcome and congratulations, and hope that they will find the work congenial and instructive, and assist in carrying on the civic business to a greater degree of efficiency.

Unemployment.

As of former years, some of our citizens are unemployed, and we will bend every energy to find work of some kind for them to do, and thus afford to them the privilege of earning a livelihood instead of being a subject of doles. We will make provision for those who are unable to withstand the climatic conditions in order to do the work afforded, and also those whose only chance of subsistence is that we make contributions of fuel and food. The amount we spend in Kingston for the unemployed and poor relief is not very large when compared with the amount spent in other cities, and we specially thank every one, clubs, associations, churches, charitable institutions, etc., and individuals for their assistance, knowing that we receive a great amount of help whereby our burden is greatly lightened. I am proud to say that our citizens are a charitable people.

Industries.

It has been pointed out to us that an Act called "The Bonus Limitation Act" has limited all municipalities in Ontario as far as bonuses are concerned, and then only when the electors decide by a favorable vote. This will have the effect of making the number of applications to instal industries fewer, but there will not be the same bidding between the municipalities, and I approve of the change. Notwithstanding this change it will be the duty of the Industries Committee to keep up an incessant vigilance and do their best to get more industries here. We have had a period when on account of business conditions matters in this line were very slow, but we are hoping that this period is past. I have watched the working of the amalgamation of the Council Committee with the Committee from the Board of Trade, and I think this system should be continued. We have good reports from our newest industry, the Dye and Chemical Co., and we hope they will prosper.

Harbor Improvement.

The Harbor Improvement Committee has been composed of members of Council and citizens, and they have given this subject much thought, and have presented to the Government what seems like incontrovertible evidence that Kingston is the natural and logical location for the deep water terminal, but it has not been accepted yet, and until this time arrives I would like to see this committee keep actively at it. We will be asked to furnish an appropriation for this committee's expenses. Last year this was paid by the Industries Committee. I would like to see a revival of the question early in the year, and hope that every alderman will become interested. It is the largest and most important question before this city at this time or probably any other time.

Hospitals.

This is a matter that needs strict attention, and the committee needs to be active. The present tendency seems to be to have all municipalities pay for their indigents on a per diem basis, and it needs care to see that these indigents are allocated to their proper municipalities. We have spent a large sum of money on the construction of an Isolation Hospital, which makes a heavy overhead expense, and we earnestly solicit the

co-operation of those in charge to make expenditures carefully consistent with the greatest efficiency. Our public institutions have been more than kind to us in taking care of our indigents, and we thank them sincerely, but I do think that they have maintained indigents from other municipalities which were labelled Kingston. We invite the assistance and co-operation of all our institutions.

Paving.

Our Board of Works of different years have done excellent work with the city's paving plant, and we now have sixteen miles of permanent streets. These streets are well built of first class material, and much cheaper than if done by contract. We think they are a good city asset, and that the increase in the value of the property abutting amounts to more than their cost. We have been able to proceed with quite a large block of pavements each year lately because we have had an equivalent amount of an annual cost being retired, the pavements having been paid for, so that we now have two and a half miles of permanent paving paid for, which cost $162,000. However, next year we are not in such a happy position, as in the year 1916 a war year, we did very little paving, and hence we will have a small amount of debenture debt for this work being retired in 1925. I want the Board of Works to bear this in mind when they are preparing the year's work, and I would recommend that instead of a large block of paving being done that attention be paid to general repairs of all our streets.

Old Boys' Reunion.

It is a good many years since we had an Old Boys' Reunion, and everywhere I have gone away from home I met old boys, and it is their constant question, "When are you going to have a Reunion?" I would like to have it put on this coming summer. I think we can enlist the services of citizens with ourselves to form committees and make it a great success.

New Hotel.

Again I refer to a new hotel. In my opinion a municipal hotel or a hotel with any part of it financed by the city is not practicable, and will not find favor with the public. We have

had the Hockenbury System make a survey, and they have handed us a favorable report, but their plan has to do altogether with citizens, and will be conducted by citizens without any municipal connection, and that as the Hotel Committee ceased at the end of the year, I do not think there is any reason for appointing a Municipal Hotel Committee. These remarks are not to discourage the hotel scheme, but to point out that the campaign will be handled by a Citizens' Committee.

Our city administration is known to be one of the best, if not the best in Canada, and nearly all the credit is due to the officials, who know their work and do it without fear or favor, even at a risk of being misquoted, misunderstood or maligned. Think of the saving in interest alone when I state that every year our uncollected taxes amounts to less than 1½%, whereas in Toronto it is 16%, in Hamilton 12%, and in smaller places they have even larger percentages.

I desire to have the committees arrange their estimates early in the year so that the Finance Committee can bring down the budget as early as possible.

I wish to express my grateful appreciation of the co-operation of the Board of Education of last year, and earnestly request the same assistance this year.

Unless some unforeseen expenditure happens we will report again a reduction of at least one mill on the dollar, and the different committees can help in this regard by paring their estimates to the lowest notch.

Before closing it may not be amiss on my part to refer to a new practice which appears to have recently developed in connection with civic affairs. In times past discussion of municipal matters have been courted and encouraged with a view of directing the attention of the electors to the proceedings of Council and workings of our civic committees. The public press has endeavored to stimulate interest and encourage respectable men, having substantial financial interests in the community to offer their services as members of Council. These efforts have in the past succeeded and are appreciated,

and their continuance is besought because of the fair and constructive nature of the criticism tendered, but in contrast to this we have had lately from other quarters where very different considerations might be expected to prevail charges launched against public officials which not only had no justification for their utterance but were couched in such sweeping and intemperate forms as to bring only ridicule upon their authors. For such methods of criticism our civic life has no justification, and should be discouraged in every possible form. If there be any individual or body of individuals who have any reasonable or well-founded criticism or cause of complaint, I want them to know that in me they will always find a sympathetic listener, and their criticisms or complaints will be well received and fully investigated.

In conclusion may I ask your support in maintaining order and decorum, as we have in the past two years. You will each be given a book of rules and regulations of Council which I ask you to peruse carefully, for you will be governed by them, and a knowledge of the rules of order will be a valuable asset to you.

I thank you, gentlemen, for your attention, and wish you all a happy and prosperous new year.

BY-LAW NO. 5, 1925.

A By-law to authorize the Mayor and Treasurer of the Corporation of the City of Kingston to borrow certain sums to meet the current ordinary expenditure of the corporation.

Passed Jan. 5th, 1925.

WHEREAS in order to meet the current ordinary expenditure of the corporation and the sum required to be raised in the current year for High and Public School purposes, it is necessary to borrow money in anticipation until such times as the taxes to be levied therefor are collected, and whereas it is necessary under Clause 319 of the Municipal Act, R.S.O. 1914, to pass a by-law authorizing such to be done.

AND WHEREAS the Council deems the sum of $300,000 necessary to meet the current ordinary expenditure of the said corporation and the sums required to be raised in the current year for High and Public School purposes until the taxes are collected, and said sum does not exceed ninety per cent. of the ordinary expenditure of the said corporation for the next preceding year, together with the amount required to be raised for High and Public School purposes for the current year, and it is deemed expedient to authorize the Mayor and Treasurer to borrow the sum of $300,000.

BE IT THEREFORE ENACTED by the Council of the Corporation of the city of Kingston as follows:

1. That the Mayor and Treasurer of the said corporation be and they are hereby authorized under the seal of the corporation to borrow from the Bank of Nova Scotia the sum of $300,000, which sum is deemed necessary by the Council to meet the current ordinary expenditure of the corporation and the sums required to be raised in the current year for High and Public School purposes until the taxes are collected.

2. That the said Mayor, with the Treasurer aforesaid, be and they are hereby authorized to pay or allow the said bank interest on the said sum so borrowed at the rate of six per cent. per annum.

3. That a promissory note, or notes, covenant or agreement, sealed with the corporation seal and signed on behalf of the corporation by the Mayor and Treasurer, be duly executed and given to the said bank as aforesaid as security for the repayment of the amount borrowed with interest thereon as aforesaid.

Board of Works

Ald. Kidd presented report No. 12 from the Board of Works as follows:

Kingston, Feb. 4th, 1925.

To the Mayor and Council of the City of Kingston:

Gentlemen,—The Board of Works begs leave to report and recommend as follows:

1. That this Board use the three teams of the Fire Department and maintain them for seven months, beginning April 1st, horses to be stabled at the Fire Department, with the option of using them the other five months without cost to the Board of Works.

2. That Alice street be extended from Albert street to Collingwood street, and whereas Queen's University has agreed to donate 66 feet for these purposes, that the said University will not be required to pay any part of the cost, whether for pavement, sidewalk, sewer or other local improvements on account of their property abutting, and further that if necessary a provision will be made for suitable frontage for the use on lot 35, Collingwood street, the new street to be narrowed at that point.

3. That a 12-inch tile sewer be constructed in Concession street from Division street to Albert street, and in Division street from Concession to Thomas street, provided that the Township of Kingston enters into an agreement satisfactory to our City Solicitor to pay one-half the cost of construction or any other expense in connection with installing said sewer; the sewer to be constructed on the Local Improvement Plan, under the supervision of our City Engineer, and where available half the labor required be given to residents of the Township of Kingston.

4. That tenders be called for the annual supplies.

5. That tenders be called for a concrete mixer.

6. That Clause 1, report No. 65, 1924, be rescinded, and that the hydrant in front of 130 Victoria street be moved four feet north at the expense of this corporation.

7. That three months' leave of absence be granted Alderman T. A. Kidd for the purpose of proceeding overseas.

BY-LAWS.

Ald. Kidd presented By-law No. 7, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. John E. Johnston in the chair, and was signed and sealed as follows:

BY-LAW NO. 7, 1925.

A by-law to construct a sewer on Concession street, in the City of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed Feb. 9th, 1925.

WHEREAS the Municipal Corporation of the Township of Kingston has requested the Corporation of the City of Kingston to construct a sewer on Concession street, from Alfred street to Division street, and on Division street from Concession street to Thomas street, in accordance with the terms and conditions set out in the agreement between the said corporation of the Township of Kingston and the corporation of the City of Kingston.

AND WHEREAS it is expedient that the construction of the work hereinafter described shall be undertaken as a local improvement, and notice of the intention of the Council to undertake such work has been duly published.

AND WHEREAS the Provincial Board of Health has approved of the construction of the said sewer.

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a twelve-inch tile sewer on Concession street, from Alfred street to Division street, in the City of Kingston, should be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the said sewer be constructed on said street, in the City of Kingston, as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council, to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for the temporary advances of money to meet the cost of the work pending the completion of the same.

7. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the work).

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by Council, and be made payable within twenty (20) years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is especially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sums as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

MOTIONS.

Moved by Ald. Craig, seconded by Ald. Boyd (16) that the agreement between the Corporation of the City of Kingston and the County of Frontenac respecting the care of the poor of the County of Frontenac in the city's refuge be approved and that the said agreement be signed by the Mayor and City Clerk and sealed with the seal of the Corporation.—Carried.

The agreement is as follows:

MEMORANDUM OF AGREEMENT made between the County Council of the County of Frontenac and the Corporation of the City of Kingston respecting the care of the poor of the County of Frontenac in the City's Refuge.

1. The Home for Aged and Infirm in and for the City of Kingston shall also be the refuge of the County of Frontenac for the care, maintenance and protection of its poor.

2. Any applicant for admission from the said County shall produce to the Superintendent a written order signed by the Reeve or Clerk of the Township, Town or Village, or County Clerk of said County from which the applicant comes, and the Superintendent shall accept the said order in lieu of a ticket of admission, and shall provisionally admit the applicant to the Refuge pending the examination of the applicant for which this agreement provides.

3. Each indigent person coming from the County of Frontenac after having been provisionally admitted shall be forthwith examined medically by the House of Refuge physician, and said physician shall issue a certificate to the Superintendent to the effect that the person examined by him is free from contagious or infectious disease; that he is physically capable of caring for himself, and does not require nursing attendance, otherwise such applicant shall not be permanently admitted, and if temporarliy admitted shall be removed from the Refuge.

4. The applicant being in health and medically acceptable, shall be given accommodation in the Refuge (if its limit has

not been reached), and for his care and maintenance the County of Frontenac shall pay the directors of the Home for the Aged and Infirm the sum of four dollars and eighty cents ($4.80) per week, during such time as the said Directors shall receive the sum of seventy cents per week per patient from the Legislature of the Province of Ontario, and in the event of the Legislative Assembly of Ontario ceasing or failing to pay the usual amount of seventy cents (70c) per inmate per week then the Council of the said County shall pay the sum of five dollars and fifty cents ($5.50) per inmate per week. All accounts shall be payable quarterly on the first days of August, November, February and May in each year by the Treasurer of the County upon presentation. It is further agreed that free medical attendance will be supplied.

5. Should any of the poor of the County of Frontenac require clothing while inmates of the Home for the Aged and Infirm a requisition therefor shall be sent to the County Council or to its representative, and upon its or his consent the clothing shall be purchased and the account for the same sent to the Clerk of the County of Frontenac, and it shall be paid upon its presentation.

6. Should any of the poor from the County of Frontenac become ill while in the House of Refuge the Superintendent of the Institution shall communicate with the medical attendant, and if the illness be of a serious nature the inmate shall be removed to the General Hospital, and there maintained at the expense of the County of Frontenac.

7. Should any of the poor of the County of Frontenac die while in the Refuge notice shall be sent to the Clerk of the County or to any relative whose addresses may be furnished to the House of Refuge, and the bodies (if permitted by law) may be removed by friends or relatives of the deceased.

8. Should any inmate from the County of Frontenac become insane while in the Refuge the municipality from which such inmate came shall be notified and required to take steps to have such inmate removed to the asylum.

9. The Directors of the Home for the Aged and Infirm on behalf of the Corporation of the City of Kingston agree on

their part to give to the poor of the County of Frontenac a comfortable home and such diet and care as, under the circumstances, can be reasonably expected.

10. This agreement shall continue in force for five years from the 1st day of May, 1924, but may in the meantime be terminated by six months' prior written notice on the part of either of the parties, provided, however, that the Council of the Corporation of the County of Frontenac or the Council of the City of Kingston may terminate the same by giving to the Council of either of them six months' notice of said termination.

11. This agreement shall become effective if and when signed by the Warden and County Clerk of the County of Frontenac, and by the Mayor and City Clerk of the City of Kingston, after being duly authorized by their respective Councils.

IN WITNESS WHEREOF the parties have hereunto set their seals under the hands of their duly authorized officials.

Dated this 30th day of January, A.D. 1925.

Signed, sealed and delivered in the presence of

BY-LAWS.

Ald. Price presented By-law No. 8, 1925. The by-law was read a first time, and the 31st rule being suspended by two-

thirds vote a second and third time, the second being in committee of the whole, Ald. Johnston in the chair, and was signed and sealed as follows:

BY-LAW NO. 8, 1925

By-law to authorize the construction of a fifteen-inch tile sewer on Division street from Adelaide street to Thomas street, as a local improvement under the provisions of the Local Improvement Act.

Passed March 9th, 1925.

WHEREAS it is expedient that the construction of the work hereinafter described shall be undertaken as a local improvement, and notice of the intention of the Council to undertake such work has been duly published.

AND WHEREAS land not abutting directly upon the work is to be specially assessed, and the whole of it is not equally benefited, and such land has been divided into districts or sections, based upon different proportions of benefit, and its proper proportion of the cost has been assigned to each district or section, and the proportion of the cost to be borne has been properly assessed on the lots therein, according to the extent of their frontage, by an equal, special rate per foot of such frontage as set out in the schedule hereto attached.

AND WHEREAS the Provincial Board of Health has recommended the construction of a fifteen-inch tile sewer on Division street from Adelaide street to Thomas street, and it is therefore necessary and desirable in the public interst on sanitary grounds to construct such sewer according to such recommendation as a local improvement.

THEREFORE the Municipal Council of the Corporation of the City of Kingston enacts as follows:

1. That a fifteen-inch tile sewer be constructed as a local improvement, under the provisions of the Local Improvement Act, on Division street, from Adelaide street to Thomas street.

That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council that it is desirable that the construction of a fifteen-inch tile sewer on Division street from Adelaide street to Thomas street, should be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared, a fifteen-inch tile sewer be constructed on Division street from Adelaide street to Thomas street as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the Corporation do forthwith make such plans, profiles and specifications, and furnish such information as may be necessary for the making of a contract for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessment shall be paid by twenty annual instalments (this period being within the lifetime of the said work).

8. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by Council, and be made payable within twenty years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investment shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without the interest, forthwith after the Special Assesment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on the passing thereof.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

Ald. Driscoll presented By-law No. 9, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Kent in the chair, and was signed and sealed as follows:

BY-LAW NO. 9, 1925.

A By-law to amend By-law No. 42, 1915.

Passed March 9th, 1925.

BE IT ENACTED by the Council of the corporation of the City of Kingston, as follows:

1. Section 3 of By-law No. 42, 1915, is hereby repealed and the following section substituted therefor:

The Inspector shall see that said vehicles call and remove all garbage from premises within the city, as follows:—

At all hotels and restaurants, three times a week, or oftener if notified by the Inspector.

At all boarding houses and dwellings, twice a week, or oftener if notified by the Inspector.

At all stores and public buildings once a week.

At all hospitals and similar institutions six times a week.

At any of the above mentioned places oftener if required and directed so to do by the Inspector.

2. Section 5 of By-law No. 42, 1915, is hereby repealed and the following section substituted therefor:

Every occupant of a premises shall provide at least one galvanized iron, covered receptacle of a capacity of not more than three cubic feet and of a type to be approved by the

Garbage and Refuse Inspector. All garbage shall be deposited or placed therein after having been previously rolled in paper.

3. Section 11 of By-law No. 42, 1915, shall be struck out.

4. Section 22 of By-law No. 42, 1915, is hereby repealed and the following section substituted therefore:

Tenders for the collection of garbage shall be called for and shall be for a period of three years, at a fixed rate per annum, and the conditions of the contract between the Corporation and the successful tenderer shall, among other terms, provide that the labor to be performed under said contract shall be so performed only by residents of the City of Kingston.

5. The following clause shall be added as Section 23:

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

Moved by Ald. Kent, seconded by Ald. Laturney (10) that the report of the Committee on Finance and Accounts be received and adopted.—Carried.

Ald. Kent presented the Budget for 1925.

The Committee on Finance and Accounts, in submitting the estimates for the year 1925, beg leave to report as follows:—

The Bonded Debt of the City to 31st December, 1924, is $2,368,152.52, made up as follows:

Water Works		$ 64,000 00
Light Works		532,204 70
SCHOOLS:—		
Public	$ 237,248 92	
High	59,950 00	
		297,198 92
LOCAL IMPROVEMENTS:—		
Corporation's Portion	$ 502,742 37	
Owner's Portion	421,454 94	
		924,197 31
General Purposes		550,551 59
		$2,368,152 52

The amount of the Sinking Fund is $592,192.98, and of this amount $584,643.02 is invested in Government and Municipal Debentures and $7,549.96 is on deposit in the Bank.

The amount to be levied for the Sinking Funds this year is $97,342.62, the parties specially benefited paying $41,522.58, and the City generally paying $55,820.04.

The Revenue, after reducing the tax rate one mill shows an increase of about $4,500.00 over that of last year, made up from Increase in Assessment, ordinary revenue and Local Improvement rates.

The Uncontrollable Expenditure shows a decrease of about $11,000,00 as a result of Bond Issues matured.

After providing for extra expenditures such as Unemployment and other Charities, $9,000; Isolation Hospital, $2,000; Old Boys' Reunion, $1,000, and Play Grounds $1,000, your Committee has been able to furnish the various spending committees with as much, and in some cases more than was granted last year.

To reduce the Tax Rate one mill in each of two consecutive years is a matter for congratulation, and your Committee wishes to thank the Board of Education for its hearty co-operation in bringing about this very desirable result.

Your Committee recommends that a rate of 21.47 mills for general purposes, and 12 53-100 mills for educational purposes, making in all 34 mills on the dollar, be placed on this year's ordinary assessment, and also that a rate of 1 mill on the dollar for the collection and disposal of garbage be imposed on the assessment liable therefore.

Ald. Kent presented By-law No. 11, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. McCartney in the chair, and was signed and sealed as follows:

BY-LAW NO. 11, 1925

A By-law to levy a tax of 34 mills on the dollar upon the assessed value of the ratable property in the city of Kingston for the lawful purpose of the municipality for the year 1925.

Passed March 23rd, 1925.

WHEREAS for the year 1925 there are required for the lawful purpose of the municipality of the city of Kingston, as hereinafter specified, the following named sums of money estimated by and to the Council of the said municipality, to be raised by the levy of the several rates hereinafter mentioned respectively amounting to the rate of 34 mills on the dollar upon the assessed value of the ratable property in the said municipality, and which in the revised and adopted assessment rolls and the supplementary rolls for the year 1925 amounts to the sum of $17,176,500 current money of Canada, which rate of 34 mills on the dollar is in respect of the ratable property in the said municipality liable to be assessed for the Roman Catholic Separate School rate, inclusive of the rate hereinafter directed to be levied upon the ratable property liable therto, and which rate of 34 mills on the dollar also includes the rate for the sum required for the Public School purposes for said year, to be levied on the property liable thereto as hereinafter provided.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. The sum of $60,932.46 required to pay the annual interest on and the annual payment on account of the loan and bonus debentures and not provided for under Section 1 of this by-law, shall be raised by the levy of a rate of 3.55 mills on the dollar upon the whole assessed value of the ratable property in the said municipality.

2. The sum of $52,265.66 required for High School purposes as estimated to the said Council by the Board of Education, and to pay the annual payment and interest on account of High School debentures of the said municipality shall be levied by a rate of 3.04 mills on the dollar upon the whole of the assessed value of all the ratable property in the said municipality as aforesaid.

3. The sum of $117,528.77 required for Public School purposes of the said municipality as estimated to the said Council raised by the levy of a rate of 8.06 mills on the dollar upon the assessed value of the ratable property in the said municipality assessable and liable to be raised for a public school rate, said assessed value being $14,572,265.

4. The sum of $20,760.08 required to pay the annual interest on and the annual payment on account of the public school debentures of the said municipality, shall be raised by a levy of a rate of 1.43 mills on the dollar upon the said assessed value of the ratable property in the said municipality assessed and liable to be raised for a public school rate, said assessed value being $14,572,265.

5. There shall also be levied on the ratable property in the said municipality liable thereto, the assessed value of which amounts to $2,604,235, a rate of 9.45 mills on the dollar imposed on the said property by the Board of Trustees of the Roman Catholic Separate School of the said municipality for the purposes of the said Separate School for the current year, and the last mentioned rate shall be levied and collected by the collectors appointed to collect the municipal rates and taxes of the said municipality at the time and as provided by law.

6. The sum of $72,116.79 required to pay the annual interest on and provide the annual sum required for the sinking fund for the debentures of the said municipality issued for the purposes of raising loans for the amount of the cost of the several local improvement works in the said municipality to be borne and paid by the said municipality at large shall be raised by the levy of a rate of 4.20 mills on the dollar on the whole of the said assessed value of all ratable property in said municipality as aforesaid.

7. The sum of $235,683.05 required for the general purposes and expenditure of the said municipality for the current

year shall be raised by the levy of a rate of 13.72 mills on the dollar upon the whole of the assessed value of all the ratable property in the said municipality as aforesaid.

8. The said several rates of 3.55, 3.04, 4.20 and 13.72 mills on the dollar to be levied upon the whole of the assessed value of the ratable property in the said municipality and the said several rates of 8.06 and 1.43 mills on the dollar to be levied upon the said assessed value of all the property in the said municipality assessable and liable to be rated for a Public School rate, and the said rate of 9.49 mills on the dollar to be levied on the assessed value of all the property in said municipality assessable and liable to be rated for the said Roman Catholic Separate School rate (together amounting to 34 mills on the dollar upon the assessed value of the property upon and in respect of which the said several rates are to be levied respectively), shall be levied and collected at one and the same time as provided by law by the collector appointed to collect the municipal rates and taxes of the said municipality.

9. The City Clerk shall prepare and deliver to the said collector the collector's rolls of the said municipality.

9. The City Clerk shall prepare and deliver to the said collector the collector's rolls of the said municipality for the said year, and prepare according to law on or before the first day of May, 1925.

This by-law shall come in force and take effect on its passing.

Ald. Driscoll presented By-law No. 12, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Nash in the chair, and was signed and sealed as follows:

BY-LAW NO. 12, 1925.

A By-law to levy a tax of one (1) mill on the dollar upon the assessed value of the land in the municiplaity of the city of Kingston for the purpose of defraying the cost of the collection, removal and disposal of garbage and other refuse throughout the whole municipality.

Passed March 23rd, 1925.

WHEREAS By-law No. 42, 1915 (A "By-law to provide for the collection, removal and disposal of garbage and other refuse"), was passed by the Council of the corporation of the city of Kingston, September 15th, 1915;

AND WHEREAS Section 19 of the said by-law provides as follows:

"19. The expense of the collection, removal and disposal by the corporation of said garbage and other refuse throughout the whole municipality shall be borne by the owners and occupants of the land therein, and an annual special rate shall be imposed upon such land according to its assessable value, sufficient to defray the expense of such collection, removal and disposal, and no land within the municipality shall be exempt from the said annual special rate, anything in general or special Act or any by-law to the contrary notwithstanding. The said annual special rate shall be placed upon the Collector's Roll during the year in which the same is to be collected, and shall be collected in like manner and at the same time as all other municipal taxes."

AND WHEREAS it will require an annual special rate of one mill on the dollar on the assessed value of the land within the municipality of the city of Kingston to defray the expenses of the collection, removal and disposal by the corporation of garbage and other refuse throughout the whole municipality.

AND WHEREAS the assessed value of the said land as stated in the revised and adopted assessment roll of the said municipality for the year 1925 amounts to $18,000,000;

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. The sum of $18,000, required to defray the expenses of the collection, removal and disposal by the corporation of garbage and other refuse throughout the whole municipality of the city of Kingston shall be raised by the levy of a special rate, "The garbage, etc., rate" of one (1) mill on the dollar upon the whole assessed value of the land within the said municipality, which rate shall be in addition to all other rates for which the said land is and shall be liable.

2. The City Clerk shall place upon the Collector's Roll opposite the several names of the persons assessable the amounts assessable against the said land in respect of such special rate.

3. The said amounts shall be payable in each year to the collector of the municipal taxes of the city of Kingston, who is hereby authorized to collect the said amounts at the same time, and in the same manner, and with like remedies as ordinary taxes upon real estate are collectible, and under the provisions of the Assessment Act.

4. That the amount collected from the said date shall be expended in defraying the expense of the collection, removal and disposal by the corporation of said garbage and other refuse, and not otherwise.

This by-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Price presented By-law No. 16, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. O'Connor in the chair, and was signed and sealed as follows:

BY-LAW NO. 16, 1925

A By-law to authorize the construction of sheet asphalt pavements and concrete walks on certain streets in the city of Kingston as local improvements under the provisions of the Local Improvement Act.

Passed April 20th, 1925.

WHEREAS it is expedient that the works hereinafter described should be undertaken as local improvements, and

notice of the intention of the Council to undertake such works has been duly published.

THEREFORE the Municipal Council of the corporation of the City of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt pavement on a four-inch concrete base on Earl street from University avenue to Frontenac street; on Johnston street, from Barrie street to Victoria street; on William street from Barrie street to Division street; on Garrett street from Division street to University avenue, and on Barrack street from Rideau street to Bagot street, and the construction of concrete walks on the north side of Thomas street from Patrick street to Cowdy street; in Victoria Park from the corner of Mack and Alfred streets to the corner of Brock and Fronteanc streets; and in Frontenac Park from Redan street to the Monument, all as set out in the schedule hereto annexed, and marked "A," shall be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the construction of a sheet asphalt pavement on a four-inch concrete base on Earl street from University avenue to Frontenac street; on Johnston street, from Barrie street to Victoria street; on Garrett street from Division street to University avenue, and on Barrack street from Rideau street to Bagot street, and the construction of concrete walks on the north side of Thomas street from Patrick street to Cowdy street; in Victoria Park from the corner of Mack and Alfred streets to the corner of Brock and Frontenac streets; and in Frontenac Park from Redan street to the Monument, all as set out in the schedule hereto annexed, and marked "A," be constructed each as a local improvement under the provisions of the Local Improvement Act.

3. That before proceeding with the work of constructing the said asphalt pavement with a four-inch concrete base on Earl street from University avenue to Frontenac street; on Johnston street from Barrie street to Victoria street; on William street from Barrie street to Division street; on Garrett

street from Division street to University avenue, and on Barrack street from Rideau street to Bagot street, all the necessary private drain connections be made from the main sewer to the street line on both sides, and also all necessary water mains, service pipes and stop cocks be laid, and all necessary gas mains, service pipes and stop cocks be laid, and all necessary alterations in the same be made, and that the cost of the water and gas service pipes and stop cocks and any alterations in the same and the costs of the private branch drains and connections be specially assessed on the particular lots to serve which they are constructed or effected, and the lots effected and to be specially assessed for such additional works are set out in the schedule hereto annexed marked "B."

4.The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the works.

5. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

6. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

7. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

8. The special assessment for the sheet asphalt pavement shall be paid by ten annual instalments, that period being the lifetime of the said work, and the special assessment for the concrete walks shall be paid by twenty annual instalments, that period being within the lifetime of the said works.

9. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter

passed by the Council, and to be made payable within twenty years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than 5½% per annum.

10. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such a sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the terms as they fall due.

This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

Ald. Price presented By-law No. 17, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Reid in the chair, and was signed and sealed as follows:

BY-LAW NO. 17, 1925

A By-law respecting the numbering of houses and lots on certain streets in the city of Kingston.

Passed April 20th, 1925.

WHEREAS confusion has arisen by reason of the houses and lots on the certain streets set out in the schedule hereto attached, in the City of Kingston, not being numbered in accordance with the by-law of the said city respecting the numbering of the houses and lots, and being by-law number 11 of the Revised By-laws, and it is expedient to re-number the houses and lots as far as it may be so necessary.

AND WHEREAS the City Engineer has surveyed the said streets and the houses and lots thereon and has re-numbered the houses and lots thereon so far as may be necessary, and it is desirable and expedient to adopt the said survey and the said re-numbering of the said houses and lots on said streets:

BE IT THEREFORE ENACTED by the Council of the Corporation of the city of Kingston as follows:

1. That the houses and lots on the certain streets in the city of Kingston, set out in the schedule hereto attached be numbered in accordance with the by-law of the said city of Kingston respecting the numbering of the houses and lots, and being by-law number 11 of the Revised By-laws.

2. The City Engineer shall notify the owners of houses and lots upon and along the said streets of the numbering and re-numbering of the said houses and lots and thereafter the said houses and lots shall be numbered and re-numbered in accordance with the said lists and plan and not otherwise.

3. The penalty provided by By-law No. 11 of the Revised By-laws of the said city for a breach of said By-law number 11 shall apply to and be applicable to any breach of any of the provisions of this by-law.

4. This by-law shall come in force and take effect forthwith on its passing.

Re Laundry By-law

Moved by Ald. Nash, seconded by Ald. O'Connor (7) that By-law No. 19, 1925, a by-law to amend No. 12 of the Revised By-laws and relating to laundries, as re-drafted by the City Solicitor, be presented, that this Council go into the committee of the whole on the second reading of the by-law, with Ald. Peters in the chair.

The by-law was read by the Clerk, and a vote being taken for its passing was declared lost. The chairman then presented the by-law to the Mayor as having been defeated on its second reading.

BY-LAW NO. 19, 1925

A By-law to amend By-law Number 12 of the Revised By-laws.

Passed

BE IT ENACTED by the Council of the Corporation of the City of Kingston as follows:

1. By-law No. 12 of the Revised By-laws of the City of Kingston as amended by By-law No. 24, 1909, is further amended by striking out Sections 73 (d), 73 (e), and 73 (f), and adding the following sections thereto as 73 (d), 73 (e), 73 (f), 73 (g), 73 (h), and 73 (i).

73 (d). Every company, corporation, firm or person wishing to erect, establish or secure a license for a public laundry, shall apply in writing to the city for permission to do so, such application to be made within ten days following the publicatin of the notice required by Section 73 (e) of this by-law, and to contain a description of the building which it is proposed to use for such purposes, or of the land on which it is proposed to erect such laundry.

PUBLIC LAUNDRY means any store, workshop, dwelling or building whatsoever where linen may be washed or ironed for the public, but not the private dwelling of a laundress who does such work alone or with one or two members of her family.

73 (e). Any person who wishes to obtain such permission shall make an application to that effect to the Inspector of Licenses, who shall transmit a copy of such application to the City Clerk. The Inspector of Licenses shall give at least ten days' public notice of said application, by posting a notice not less than 1 8x 24 inches in size, in a conspicuous place, outside, on the lot of land, building or premises proposed to be used for such purposes, so that the neighboring owners or residents or other interested parties may have the opportunity of opposing the granting of such permission. The above mentioned poster shall be supplied by the City Engineer's Department.

73 (f) Upon the receipt of any such application the Inspector of Licenses shall inspect the lot of land, buildings or premises proposed to be used for the purposes set forth in Section 73 (e) of this by-law, and if satisfied that such building, premises or lot of land meet the requirements of this by-law, and that the permission applied for may be granted without in any wise endangering life or property, he shall transmit a certificate to that effect to the Committee of Finance and Accounts of the City Council, which shall report to said Council, which may, in its discretion, grant or deny the permission applied for.

73 (g). No permit for the erection or establishment or license shall be granted if the company, corporation, firm or person wishing to obtain such permit fails to comply with the provisions of Section 73 (e) of this by-law, or if a sufficient number of municipal voters residing or having their place of business in the immediate vicinity where it is proposed to erect, establish or apply for a license or renewal of license, notify the City Clerk, in writing, within ten days from the date of the publication of the notice as required by Section 73 (e), that they are opposed to the granting of such permit.

73 (h). The license fee for all public laundries covered by this by-law shall be thirty dollars ($30.00), payable at the office of the City Treasurer when license has been granted.

73 (i). Any person or persons infringing any of the provisions of this by-law shall be liable to a fine with or without costs, and in default of immediate payment of said fine with or without costs, as the case may be, to an imprisonment ,the amount of said fine and the term of said imprisonment to be fixel by the Police Magistrate of the city of Kingston, at his discretion; but such fine shall not exceed fifty dollars and the imprisonment shall not be for a longer period than two calendar months; the said imprisonment, however, to cease at any time before the expiration of the term fixed by the Police Magistrate upon payment of the said fine, or fine and costs as the case may be; and if the infringement of this by-law continues the offender shall be liable to the fine and penalty above mentioned for each day during which the infringement is continued.

This By-law shall come in force and take effect on its passing.

To Adjourn.

Moved by Ald. Chown, seconded by Ald. Craig, that this Council do now adjourn.—Carried.

Council adjourned at 9.30 p.m.

BY-LAWS.

Ald. Price presented By-law No. 20, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Boyd in the chair, and was signed and sealed as follows:

BY-LAW NO. 20, 1925.

A By-law to raise by way of loan the sum of $138,154.81 by the issue of debentures to meet the cost of construction of asphalt pavement, etc., on those portions of the streets of the city of Kingston mentioned in the schedules annexed to this by-law.

Passed May 4th, 1925.

WHEREAS in the opinion of two-thirds of all the members of the Council of the corporation of the city of Kingston it was desirable in the public interest to construct asphalt pavements as local improvements on the several portions of streets mentioned and described in column one of the schedule "A," hereto annexed, and by the requisite affirmative vote of three-fourths of the members of said Council, to provide from the general funds of the municipality forty per cent. of that portion of the cost of the construction of the said pavement falling on the property benefited in addition to the part of such cost to be provided by the municipality and to add said forty per cent. to the said part of the cost of construction of the said roadway to be provided by the municipality and to issue debentures for the amount thus obtained.

AND WHEREAS before proceeding with the work the necessary private drain connections from the main sewer to the street line and the necessary water and gas mains, service pipes and stop cocks were made and laid as set out in schedule "B," the cost of which is to be assessed only upon the particular lot to serve which it was constructed or effected.

AND WHEREAS the said pavements and private branch drains, water and gas mains were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said works have been fully completed, and that a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf, showing the cost of the said works and making an assessment therefor upon the several lots abutting directly on the works, and it has been certified that the period of ten years is the probable life of the said works.

AND WHEREAS the assessed value of the whole real property ratable in respect of said several improvements as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule "A" opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule, and the corporation's portion of such cost is as mentioned in the third column of the said schedule, and the portion of such cost chargeable against the several lots abutting directly on the works is as mentioned in the fourth column of the said schedule opposite the said several works as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each of such local improvement works is as set down in the fifth column of said schedule and the cost per foot frontage chargeable against the lots chargeable in respect of each such work is as set down in the sixth column of said schedule opposite each such work as described in the first column of said schedule, and the annual rate per foot frontage to be levied in each year for the period of ten years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule opposite each of such work as described in the first column of said schedule, and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County

Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of $138,154.81 being the total cost of all the said works is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances, it is expedient to raise the said sum of $138,154.81 by the issue of debentures of the said city of Kingston, the principal to be payable in ten years from the first day of January, 1925, as hereinafter provided.

AND WHEREAS it will require the sum of $9,508.72 raised annually for a period of ten years to pay the sum of $71,334.47 (being the corporation's portion of said cost of the said works) and interest at the rate of 5% per annum, payable half-yearly, and it will require the sum of $8,906.55 raised annually for a period of ten years to pay the sum of $66,820.34 (being the property owners' portion of the said cost of the said works) and interest at the said rate, payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of $17,176,500, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts secured by special acts, rates or assessment, is the sum of $1,946,697.58, of which neither principal nor interest is in arrears.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same upon the credit of the corporation by the issue of the debentures hereinafter mentioned the sum of $138,154.81 and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required not less than $100 each and not exceeding in the whole the said sum of $138,154.81, and the said debentures

shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of $138,154.81 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated January, 1925, and shall be payable on the first day of January, 1925, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of 5% per annum, which interest shall be payable half-yearly on the first day of the month of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of $71,334.47, being the corporation's portion of the cost of the said several works as described in column one of the schedule hereto annexed, there shall be raised annually during the currency of the debentures the sum of $3,566.72 for the interest thereon and the sum of $5,942.00 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of $9,508.72 to be raised, levied and collected in each year during the said period of years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of $66,820.34, being the owners' portion of the cost of the said several works as described in column one of schedule "A" and set out in schedule "B" hereto annexed, there shall be raised annually during the currency of the said debentures the sum of $3,341.02 for the payment of the interest thereon and the sum of $5,565.53 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of $8,906.55. For the payment of the owners' portion of the cost $66,820.34 and the interest thereon, the several special assessments set forth in the said Special Assessment Rolls and in the schedules hereto annexed, are hereby imposed upon the lands liable therefor as therein severally set forth, which said annual assessments, with a sum sufficient to cover the interest thereon at the rate aforesaid, shall be payable in ten equal annual instalments as severally set forth in column seven of schedule "A"

and in column six of schedule "B," and for that purpose the special annual rate per foot frontage set forth in schedule "A" and the special annual rate per foot frontage of lot as set forth in schedule "B," hereto annexed, are hereby imposed upon the lots entered in the said Special Assessment Roll and schedule "A," according to the assessed frontage thereof and as set out in schedule "B" over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the said works and in no other way and for no other purpose whatever.

8. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amounts of the said debentures shall be reduced by the amount paid as commutation.

9. This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

MOTIONS.

Moved by Ald. Price, seconded by Ald. Peters (15) that the Corporation receive the deed of land from the Synod of Ontario and the transfer of buildings from the executors of the G. Y. Chown estate, and that the City Treasurer pay the Synod $10,000 for the land purchased, and the balance of $25,000 subject to the terms and conditions set out in the agreement dated March 23rd, 1925, between the corporation and the said executors and the Kingston Public Library Board.—Carried.

The following is the Memorandum of Agreement referred to in resolution No. 15 above:

MEMORANDUM OF AGREEMENT, made in duplicate this 23rd day of March, A.D. 1925,

BETWEEN:

W. F. Nickle, J. McL. Stephen and May L. Chown, the Executors of the Estate of G. Y. Chown,

OF THE FIRST PART,

AND

The Corporation of the City of Kingston,

OF THE SECOND PART,

AND

The Kingston Public Library Board,

OF THE THIRD PART.

WHEREAS, G. Y. Chown, late of the City of Kingston, in the County of Frontenac, deceased, proposed making a gift to the city of Kingston of the building on the south-west corner

of Brock and Bagot streets, in the said city of Kingston, for a Public Library building, on condition that the said city of Kingston would make changes and improvements in the said building adequately to adapt it for library purposes, and on the further condition that the cost of such changes should in no way effect or be made a charge upon the annual special per capita rate called "The Public Library Rate," levied by the municipality under the Public Libraries Act, and on the further condition that the Kingston Public Library Board agree to maintain the said building as a Public Library.

AND WHEREAS the family of the said G. Y. Chown are desirous of carrying out the proposed gift on the said conditions, including the gift the building used as a garage which stands upon the same land.

AND WHEREAS a by-law was submitted to and duly carried by the ratepayers of the city of Kingston to authorize the issue of debentures to the amount of thirty-five thousand dollars ($35,000.00) for the acquisition at the price of ten thousand dollars ($10,000.00) of the land on the said south-west corner of Brock and Bagot streets upon which said buildings stand and for remodelling the first mentioned building for the purpose of a Public Library, and the said by-law was subsequently given its third reading and passed by the Municipal Council of the said city of Kingston.

AND WHEREAS the corporation of the city of Kingston is willing to accept the gift of the said building subject to the conditions aforesaid.

NOW THIS AGREEMENT WITNESSETH that in consideration of the premises, the parties hereto of the First and Second parts mutually covenant and agree with each other as follows:

1. The parties of the First Part agree to convey the said buildings to the parties of the Second Part, contemporaneously with the conveyance, to the latter, of the said land on the south-west corner of Brock and Bagot streets, and the parties of the Second Part agree to accept the said buildings on the south-west corner of Brock and Bagot streets, in trust to be used solely for the purpose of a Public Library, and agree to make the necessary changes in and remodel the said building to adapt it adequately for the purpose of a Public Library, and

further agree with the parties of the First Part that the cost of the said changes in and remodelling the said building shall not be at any time made a charge on the yearly income of the said Library.

2. The parties of the Second Part to insure and keep insured the said building on the south-west corner of Brock and Bagot streets for the full insurable value against loss or damage by fire, and pay all premiums necessary for such purpose, as the same shall become due, and in the event of a fire will use the money recovered for the fire loss in rebuilding or in the erection of another building for library purposes.

3. The said party of the Third Part, in consideration of the gift of the said building for library purposes, and the remodelling of the same by the corporation of the city of Kingston, COVENANTS AND AGREES with the parties hereto of the First and Second Parts to maintain the said building for Publib Library purposes.

IN WITNESS WHEREOF the said parties of the First Part have hereunto set their hands and seals, and the parties of the Second Part have caused their corporate seals to be affixed and attested.

BY-LAWS.

Ald. Kent presented By-law No. 21, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Chown in the chair, and was signed and sealed as follows:

BY-LAW NO. 21, 1925.

A by-law to raise by way of loan on the credit of the debentures of the municipality of the City of Kingston the sum of $10,000 for patriotic purposes.

Passed May 18th, 1925.

WHEREAS under the provisions of Section 28A of the Consolidated Municipal Act, 1922, by-laws may be passed by Councils of all municipalities for the erecting and placing memorial windows, monuments and tablets in commemoration of officers and men of the municipality who have been in active service during the late war, with the naval and military forces of Great Britain or her allies;

AND WHEREAS such memorial windows, monuments and tablets have been erected in the City Hall in the City of Kingston, and the Council of the corporation of said city deem it necessary and expedient to raise the sum of $10,000 by way of loan in the manner hereinafter provided to pay for said memorial;

AND WHEREAS the amount of the debt to be created by this by-law is $10,000;

AND WHEREAS the total amount required to be raised annually by special rate on all the rateable property of the municipality liable thereto for paying the said debt and interest as hereinafter provided is $1,333;

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of $17,176,500, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts secured by special acts, rates or assessment, is the sum of $1,946,697.58, of which neither principal nor interest is in arrears;

BE IT ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise

by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same upon the credit of the corporation by the issue of the debentures hereinafter mentioned the sum of $10,000 and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required not less than 100 each and not exceeding in the whole the said sum of $10,000, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of $10,000 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated January, 1925, and shall be payable on the first day of January, 1935, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of 5% per annum, which interest shall be payable half-yearly on the first day of the month of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

6. There shall be raised annually during the currency of the said debentures the sum of $500 for the payment of the interest thereon, and the sum of $833 to form a sinking fund for the payment of the said debt, the said sums making together the annual amount of $1,333 to be raised, levied and collected in each year during the period of ten years by an annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

This By-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

Ald. Price presented By-law No. 23, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Driscoll in the chair, and was signed and sealed as follows:

BY-LAW NO. 23, 1925

A By-law to authorize the construction of sheet asphalt pavements and walk and concrete walks and curbs on certain streets in the city of Kingston as local improvements under the provisions of the Local Improvement Act.

Passed June 1st, 1925.

WHEREAS it is expedient that the works hereinafter described should be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt pavement on a four-inch concrete base on St. Catherine street from Pine street to the northerly limit of St. Catherine street, and on Raglan Road from Rideau street to Montreal street, and that there should be constructed a sheet asphalt pavement on old asphalt macadam base on Barrie street from Union street to Princess street, and on Clergy street West from Barrie street to University avenue; and that there should be constructed concrete walks on Barrie street, east side, from Johnston street to Brock street, and on South Bartlett street, north side, from Victoria street to the west limit of lot number 11, and on Thomas street, north side, from Patrick street to Cowdy street, on Toronto street, west side, from Earl street to Johnston street, and that an asphalt walk should be constructed on Sydenham street, west side, from William street northrly 128 feet; and that there should be constructed concrete curbs on Garrett street south from Division street to University avenue, and on George street west from Stuart street to O'Kill street, and upon O'Kill street north from George street to King street, all as set out in the schedule hereto annexed, and marked "A," shall be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the construction of a sheet asphalt pavement on a four-inch concrete base

on St. Catherine street from Pine stret to the northerly limit of St. Catherine street, and on Raglan Road from Rideau street to Montreal street, and the construction of a sheet asphalt pavement on old asphalt macadam base on Barrie street from Union street to Princess street, and on Clergy street West from Barrie street to University avenue; and the construction of concrete walks on Barrie street, east side, from Johnston street to Brock street, and on South Bartlett street, north side, from Victoria street to the west limit of lot number 11, and on Thomas street, north side, from Patrick street to Cowdy street, and on Toronto street, west side, from Earl street to Johnston street, and the construction of an asphalt walk on Sydenham street, west side, from William street northerly 128 feet; and the constrction of concrete curbs on Garrett street south from Division street to University avenue, and on George street west from Stuart street to O'Kill street, and on O'Kill street north from George street to King street, all as set out in a schedule hereto annexed and marked "A," be constructed each as a local improvement under the provisions of the Local Improvement Act.

3. That before proceeding with the work of constructing the said sheet asphalt pavements on a four-inch concrete base on St. Catherine street from Pine street to the northerly limit of St. Catherine street, and on Raglan Road from Rideau street to Montreal street, all necessary private drain connections be made from the main sewer to the street line on both sides, and all necessary water mains, service pipes and stop cocks be laid, and also all necessary alterations in the same be made, and also all necessary gas mains, service pipes and stop cocks be laid and all necessary alterations in the same be made, and that the cost of the water or gas service pipes and stop cocks and any alterations in the same and the costs of the private branch drains and connections be specially assessed on the particular lots to serve which they are constructed or effected, and the lots effected and to be specially assessed for such additional works are set out in the schedule hereto annexed and marked "B."

4. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the works.

5. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

6. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

7. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

8. The special assessment for the sheet asphalt pavement on a four-inch concrete base and the sheet asphalt pavement on old asphalt macadam base shall be paid by ten annual instalments, that period being the lifetime of the said work, and the special assessment for the concrete walks, asphalt walk and concrete curb shall be paid by twenty annual instalments, that period being within the lifetime of the said works.

9. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within ten and twenty years respectively, on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than 5½% per annum.

10. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such a sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

City Clerk. Mayor.

June 12th, 1925.

A special meeting of the City Council was held this evening at eight o'clock, His Worship Mayor Angrove presiding.

Present: Ald. Chown, Craig, Driscoll, Dunphy, Holder, Joyce, Johnston, Johnston, Kent, Laturney, Milne, Nash, O'Connor, Peters, Price, Reid, Shea, Wood.

The Mayor explained that he had called the meeting for the purpose of making a presentation of an address to Major-General Sir Archibald Macdonell and for other general business.

The Mayor then read the following address to Major-General Macdonell, Commandant of the Royal Military College:

To Major-General Sir Archibald Cameron Macdonell, K.C.B., C.M.G., D.S.O., Commandant Royal Military College.

Sir,—The citizens of Kingston have learned with regret that you are about to sever your connection with the Royal Military College, and for many reasons desire to make a public manifestation of their feelings towards you, and to acknowledge all your many kindly acts and civic services which they have received at your hands during your tenure of office.

To your administration, coupled with your democratic and social disposition, we ascribe the very pleasant and amicable relations at present existing between the city and college. Heretofore a gulf seemed to exist which kept the citizens and collegians from mingling together and knowing each other. This was detrimental to both. Thanks to your lead, that condition has passed into oblivion, where we hope it will forever remain, and at present we can view the most cordial relations to the delight and betterment of all.

The citizens of Kingston also wish to emphasize their feeling of gratitude for the position taken by you in regard to our civic life as a whole, and special assistance in many departments of our municipal endeavors.

As head of the Historical Society a splendid museum has

been established, which will remain as a monument to your activities in this regard.

On account of your affiliation with our civic societies and municipal enterprises, the members have enjoyed the privilege of having you associated with them in many works for civic advancement and charity, and have had the benefit of your untiring labor and experienced advice.

We are pleased to compliment you on your very successful career as a soldier from the time you entered the Royal Military College throughout the many years of honest toil and training, and the culmination of it all in your splendid record in the Great War, where you put into practice your accumulated military knowledge and theoretical training of your former life. With this experience no one was better fitted to be at the haed of a Military College.

We desire to state that so great was your willingness to help us in our work that every call from the city's representatives for assistance was met with a ready and favorable response, and we now ask you to accept our grateful thanks.

We wish for you, Sir, and Lady Macdonell long life and prosperity, with a hope that you make your permanent home here amongst warm friends and admirers.

In your retirement from the Royal Military College the institution has lost a wise and capable administrator, and Kingston city a loyal benefactor and friend.

Signed on behalf of the City Council and Citizens, Thomas B. Angrove, Mayor.

AND WHHEREAS the total amount required to be raised annually during the currency of said debt by a special rate on the ratable property liable thereto for paying the said debt and interest as herein provided is $8,140.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll

is the sum of $17,176,500, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts secured by special acts, rates or assessments, is the sum of $1,946,697.58, and no part of the same or of the interest thereon is in arrear.

BE IT THEREFORE ENACTED by the Municipal Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same on the credit of the corporation by the issue of the debentures hereinafter mentioned, the sum of $120,000, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, not less than $100 each, and not exceeding the whole sum of $120,000, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of $120,000 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated the first day of July, 1925, and shall be payable on the first day of July, 1955, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of five per cent. per annum, payable half yearly on the first days of the months of January and July in each year at the office of the said Treasurer, in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. There shall be raised annually during the currency of the debentures the sum of $6,000 for the payment of the interest thereon, and the sum of $2,140 to form a sinking fund for the payment of the said debt, the said sum making together the annual amount of $8,140 to be raised, levied and collected in each year during the period of thirty years by an annual

special rate sufficient therefor to be levied on all the property of the ratepayers of the said municipality who are supporters of public schools.

This by-law shall come in force and take effect on its passing.

BY-LAWS

Ald. Price presented By-law No. 28, 1925. The by-law was read a first time, and the 31st rule being suspended by two-

thirds vote a second and third time, the second being in committee of the whole, Ald. Laturney in the chair, and was signed and sealed as follows:

BY-LAW NO. 28, 1925.

A by-law to raise by way of loan the sum of $722.69 by the issue of debentures to meet the cost of construction of a macadam roadway on Lower University avenue from Stuart street to King street, in the city of Kingston.

Passed June 24th, 1925.

WHEREAS in the opinion of two-thirds of all the members of the Council of the corporation of the city of Kingston it was desirable in the public interest to construct a macadam roadway as local improvement on the aforesaid street, and by the requisite affirmative vote of three-fourths of the members of said Council, to provide from the general funds of the municipality forty per cent. of that portion of the cost of the construction of the said roadway falling on the property benefited in addition to the part of such cost to be provided by the municipality and to issue debentures for the amount thus obtained.

AND WHEREAS the said roadway was duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that said works have been fully completed, and that a special assessment roll has been prepared by the City Engineer pursuant to the by-law in that behalf showing the cost of the said works and making an assessment therefor upon the several lots abutting directly on the works, and it has been certified that the period of three years is the probable life of the said works.

AND WHEREAS the assessed value of the whole real property ratable in respect of said improvement as ascertained and finally determined is $33,184.00.

AND WHEREAS the total cost of the said improvement is $722.69, and the corporation's portion of such cost is $346.39,

and the portion of such cost chargeable against the several lots abutting directly on the works is $376.30.

AND WHEREAS the number of feet frontage of the lots chargeable for such local improvements work is 749.5, and the cost per foot frontage chargeable against the lots liable in respect of such work is .50206, and the annual rate per foot frontage to be levied in each year for the period of three years upon the several lots abutting directly upon and chargeable in respect of such work is 18.59 cents, and the particulars of such work as above set forth are the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of said work.

AND WHEREAS the sum of $722.69, being the total cost of all the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances, it is expedient to raise the said sum of $722.69 by the issue of debentures of the said city of Kingston, the principal to be payable in three years from the first day of January, 1925, as hereinafter provided.

AND WHEREAS it will require the sum of $128.27 raised annually for a period of three years to pay the sum of $346.39 (being the corporation's portion of said cost of the said works) and interest at the rate of 5% per annum, payable half-yearly, and it will require the sum of $139.34 raised annually for a period of three years to pay the sum of $376.30 (being the property owners' portion of the said cost of the said works) and interest at the said rate payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston according to the last revised assessment roll is the sum of $17,176,500, and the amount of the existing debentures debt of the said city, exclusive of local improvement debts secured by special acts, rates or assessments, is the sum of $1,946,697.58, of which neither principal nor interest is in arrear.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to lend the same upon the credit of the corporation by the issue of debentures hereinafter mentioned the sum of $722.69, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than $100 each and not exceeding in the whole the said sum of $722.69, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of $722.69 by way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated first January, 1925, and shall be payable on the first day of January, 1928, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of 5% per annum, which interest shall be payable half-yearly on the first day of the months of January and July in each year at the office of the said Treasurer in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of $346.39, being the corporation's portion of the cost of the said work, there shall be raised annually during the currency of the debentures the sum of $17.32 for interest thereon, and the sum of $110.95 to form a sinking fund for the payment of the said debt, the said sums making together the annual amount of $128.27 be raised, levied and collected in each year during the said period of years by annual special rate sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of $376.30, being the owners' cost of the said work, there shall be raised annually during the currency of the said debentures the sum of $18.81 for the payment of the interest thereon and the sum of $120.53 to form a

sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of $139.34. For the payment of the owners' portion of the cost, $376.30, and the interest thereon, the assessments set forth in the said Special Assesment Rolls are hereby imposed upon the lands liable therefor as therein set forth, which said annual assessments with a sum sufficient to cover the interest thereon at the rate aforesaid shall be payable in three (3) equal annual instalments, and for that purpose an annual special rate of 18.59 cents per foot frontage is hereby imposed upon the lots abutting directly upon said work according to the assessed frontage thereof over and above all other rates and taxes which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage as shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debenture shall be issued, and no commuting shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amounts of the said debentures shall be reduced by the amount paid as commutation.

8. This by-law shall come in force and take effect on its passing.

(Signed)

W. W. SANDS,
City Clerk.

THOS. B. ANGROVE,
Mayor. [L.S.]

Ald. Price presented By-law No. 29, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in com-

mittee of the whole, Ald. Milne in the chair, and was signed and sealed as follows:

BY-LAW NO. 29, 1925.

A by-law to authorize the construction of a sheet asphalt pavement on a four-inch concrete base, on a certain street in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed June 24th, 1925.

WHEREAS it is expedient that the works hereinafter described shall be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt pavement on a four-inch concrete base on the following street in the city of Kingston, namely, on Colborne street from Sydenham street to Division street, as set out in the schedule hereto annexed marked "A," shall be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared, a sheet asphalt pavement on a four-inch concrete base be constructed on the following street as above, namely, on Colborne street from Sydenham street to Division street, as a local improvement under the Local Improvement Act.

3. That before proceeding with the work of constructing the asphalt pavement on a four-inch concrete base on Colborne street from Sydenham street to Division street, all the necessary private drain connections be made from the main sewer to the street line on both sides, and also all necessary water mains, service pipes and stop cocks be laid, and all necessary

alterations in the same be made, and that the cost of the water or gas service pipes and stop-cocks and any alterations in the same and the costs of the private branch drains and connections be specially assessed on the particular lots to serve which they are constructed or effected, and the lots effected and to be specially assessed for such additional works are set out in the schedule hereto annexed marked "B."

4. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the said works.

5. The works shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

6. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation subject to the approval of this Council to be declared by resolution.

7. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

8. The special assessment shall be paid by ten annual instalments, that period being within the lifetime of the said works.

9. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within ten years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

10. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon

by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the special assesment roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

11. This by-law shall come in force and take effect on its passing.

Ald. Price presented By-law No. 30, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Nash in the chair, and was signed and sealed as follows:

BY-LAW NO. 30, 1925

A by-law to raise by way of loan the sum of $17,727.77 by the issue of debentures to meet the cost of construction of sewers, concrete walks, concrete curbs and street extensions in those portions of the streets of the city of Kingston mentioned in the schedule annexed to this by-law.

Passed June 24th, 1925.

WHEREAS by a two-thirds vote of all the members of the Council of the corporation of the city of Kingston, due notice of the intention of the Council to undertake such works having been duly published, it was determined to construct the concrete walks mentioned and described in column one of Part 1 of the schedule hereto annexed as local improvements under the Local Improvement Act.

AND WHEREAS by a two-thirds vote of all the members of the council of the corporation of the city of Kingston, due notice of the intention of the Council to undertake such work having been duly published, it is determined to construct common sewers as local improvements under the said Act, on the portion of the streets mentioned and described in column one of Part II of the schedule hereto annexed.

AND WHEREAS the Provincial Board of Health has approved of the construction of the sewers mentioned in Part II of said schedule.

AND WHEREAS by a two-thirds vote of all the members of the Council of the corporation of the city of Kingston, due notice of the intention of the Council to undertake such works having been duly published, it was determined to construct the

concrete curbs mentioned and described in column one of Part III of the schedule hereto annexed as local improvements under the Local Improvement Act.

AND WHEREAS by a two-thirds vote of all the members of the Council of the corporation of the city of Kingston, due notice of the intention of the Council to undertake such works having been duly published, it was determined to extend certain streets mentioned and described in column one of Part 4 of the schedule hereto annexed as local improvements under the Local Improvement Act.

AND WHEREAS the said several walks and sewers were duly constructed and temporary advances were obtained to meet the cost thereof, and a report has been made thereupon showing that the said respective works have been fully completed and a special assessment roll has been prepared by the City Engineer, pursuant to the by-law in that behalf, showing the cost of the said several works respectively and making an assessment therefor upon the several lots abutting directly on the respective works, and it has been certified that the period of twenty years is the probable life of each of the said several works.

AND WHEREAS the assessed value of the whole real property ratable in respect of the said several improvements as ascertained and finally determined is the amount mentioned in the eighth column of the said schedule respectively opposite the said several works as described in the first column of said schedule.

AND WHEREAS the total cost of the said several improvements is as mentioned in the second column of the said schedule respectively and the corporation's portion of such cost is as mentioned in the third column of the said schedule respectively, and the portion of such costs chargeable against the several lots abutting directly on the work is as mentioned in the fourth column of the said schedule respectively opposite the said several works, as described in the first column of said schedule.

AND WHEREAS the number of feet frontage of the lots chargeable in case of each such local improvement works is as

set down in the fifth column of said schedule and the cost per foot frontage chargeable against the lots chargeable in respect of each of such works is as set down in the sixth column of each such schedule respectively opposite each such works as described in the first column of said schedule, and the annual rate per foot frontage to be levied in each year for the period of twenty years upon the several lots abutting directly upon and chargeable in respect of each such work is as set down in the seventh column of the said schedule respectively opposite each such work as described in the first column of said schedule, and the said schedule is in all these particulars the same respectively as ascertained and determined by the said report and roll and statement of the City Engineer and by the Court of Revision and by the County Judge (where an appeal was had) in respect of each of the said several works.

AND WHEREAS the sum of $17,727.77, being the total cost of the said works, is the amount of the debt to be created by this by-law and for the purpose of repaying the said temporary advances it is expedient to raise the said sum of $17,727.77 by the issue of debentures of the said city of Kingston, the principal to be payable in twenty years from the first day of January, 1925, as hereinafter provided.

AND WHEREAS it will require the sum of $617.85 to be raised annually for a period of twenty years to pay the sum of $7,390.67 (being the corporation's portion of the said cost of the said works) and interest at the rate of 5% per annum payable half-yearly, and it will require the sum of $864.17 raised annually for a period of twenty years to pay the sum of $10,337.10 (being the property owners' portion of the said cost of the said works) and interest at the said rate payable half-yearly.

AND WHEREAS the whole ratable property of the said city of Kingston, according to the last revised assessment roll, is the sum of $17,176,500, and the amount of the existing debenture debt of the said city, exclusive of local improvement debts, secured by special acts, rates or assessments, is the sum of $1,946,697.58, of which neither principal or interest is in arrears.

BE IT THEREFORE ENACTED by the Council of the corporation of the city of Kingston as follows:

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate who may be willing to lend the same upon the credit of the corporation by the issue of debentures hereinafter mentioned, the sum of $17,727.77, and to cause the same to be paid into the hands of the Treasurer for the purpose of this by-law.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sum of money as may be required, not less than $100 each, and not exceeding in the whole the said sum of $17,727.77, and the said debentures shall be sealed with the seal of the said corporation and signed by the Mayor and countersigned by the said Treasurer thereof, and shall be used to raise the sum of $17,727.77 by the way of loan as aforesaid for the purpose aforesaid.

3. The said debentures shall be dated the 1st of January, 1925, and shall be payable on the first day of January, 1945, at the office of the Treasurer of the said city of Kingston, in the said city.

4. The said debentures shall bear interest at the rate of five per cent. per annum, which interest shall be payable half-yearly on the first days of the months of January and July in each year, at the office of the said Treasurer, in the said city of Kingston, and the said debentures shall have interest coupons attached to them, which coupons shall be signed by the said Treasurer.

5. As to the said sum of $7,390.67 being the corporation's portion of the cost of the said several works as described in column one of the said schedule hereto annexed, there shall be raised annually during the currency of the debentures the sum of $369.53 for the interest thereon and the sum of $248.32 to form a sinking fund for the payment of the debt, the said sums making together the annual amount of $617.85 to be raised, levied and collected in each year during the said period of twenty years by annual special rates sufficient therefor to be levied on the whole ratable property in the said municipality.

6. As to the said sum of $10,337.10, being the owners' portion of the cost of the said several works as described in column 1 of the said schedule hereto annexed, there shall be raised annually during the currency of the said debentures the

sum of $516.85 for the payment of interest thereon, and the sum of $347.32 to form a sinking fund for the payment of the said portion of the said debt, the said sums making together the annual amount of $864.17. For the payment of the owners' portion of the cost $10,337.10, and the annual interest thereon, $347.32, the several special assessments set forth in the said Special Assessment Rolls are hereby imposed upon the lands liable therefor and therein severally set forth, which said annual assessments with a sum sufficient to cover the interest thereon at the rate aforesaid shall be payable in twenty equal annual instalments, as severally set forth in column No. 7, opposite the said several works and described in column No. 1 of the schedule hereto annexed, and for that purpose the equal annual special rate per foot frontage applicable to each work as set forth in column No. 7, is hereby imposed in the case of each of such works upon the lots abutting directly upon said works as described in column No. 1 of said schedule according to the assessed frontage thereon, over and above all other rates and taxes, which said special rates shall be collected annually by the collector of taxes for the corporation at the same time and in the same manner as other taxes.

7. The said debentures shall be sold and the proceeds thereof shall be applied in paying and discharging the temporary loan or debt incurred in and for the construction of the said works, and in no other way and for no other purpose whatever.

8. Any person whose lands are assessed for the said special rate in respect of any of the said local improvements may commute for the payment of his proportionate share of the cost of the said improvements as aforesaid by paying a principal sum according to his frontage and shown in the said roll of the City Engineer as finally revised up to the end of two weeks from and after this by-law shall take effect, after which the said debentures shall be issued, and no commutation shall be permitted, and the lands of persons commuting shall not be subject to the said special rate, and the amount of the said debentures shall be reduced by the amount paid as commutation.

This By-law shall come in force and take effect on its passing.

BY-LAWS

Ald. Price presented By-law No. 31, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Nash in the chair, and was signed and sealed as follows:

BY-LAW NO. 31, 1925.

A By-law to authorize the construction of sheet asphalt pavements on certain streets in the city of Kingston as local improvements under the provisions of the Local Improvement Act.

Passed July 27th, 1925.

WHEREAS it is expedient that the works hereinafter described should be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt pavement on a four-inch concrete base, on the following streets in the city of Kingston, namely, on Alice street, from University avenue to Albert street; and on Division street from Pine street to Stephen street; and on Victoria street from Princess street to Union streets, as set out in the schedule hereto annexed marked "A," shall each be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared, a sheet asphalt pavement, on a four-inch concrete base, be constructed on the following streets as above, namely, on Alice street from University avenue to Albert street; and on Division street from Pine street to Stephen street; and on Victoria street from Princess street to Union street, as set out above, each as a local improvement under the provisions of the Local Improvement Act.

3. That before proceeding with the work of constructing the said asphalt pavements with a four-inch concrete base on Alice street from University avenue to Albert street; and on Division street from Pine street to Stephen stret; and on Victoria street from Princess street to Union street, all the necessary private drain connections be made from the main sewer to the street line on both sides, and also all necessary water mains, service pipes and stopcocks be laid, and all necessary alterations in the same be made, and that the cost of water or mains, service pipes and stopcocks be laid, and all necessary alterations in teh same be made, and that the cost of water or gas service pipes and stopcocks and any alterations in the same and the costs of the private branch drains and connections be specially assessed on the particular lots to serve which they are constructed or effected, and the lots affected and to be specially assessed for such additional works are set out in the schedule hereto annexed marked "B."

4. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the said works.

5. The works shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

6. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation subject to the approval of this Council to be declared by resolution.

7. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

8. The special assessment shall be paid by ten annual instalments, that period being within the lifetime of the said works.

9. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within ten years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investment shall not be estimated at more than four per cent. per annum.

10. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying th eportion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sum as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This By-law shall come in force and take effect on its passing.

Ald. Price presented By-law No. 32, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. O'Connor in the chair, and was signed and sealed as follows:

BY-LAW NO. 32, 1925

A By-law to authorize the construction of a concrete walk on the east side of Victoria street from Johnston street to Earl street, in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed July 27th, 1925.

WHEREAS it is expedient that the construction of a concrete walk on the east side of Victoria street from Johnston street to Earl street, in the said city of Kingston, should be undertaken as a local improvement, and notice of the intention of the Council to undertake such work has been duly published;

THEREFORE, the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a concrete walk should be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared, the said concrete walk be constructed as a local improvement under the provisions of the Local Improvement Act.

3. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the work).

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and be made payable within twenty years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without the interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annunity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

Ald. Price presented By-law No. 33, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Peters in the chair, and was signed and sealed as follows:

BY-LAW NO. 33, 1925.

A By-law to authorize the paving with macadam of Division street from Stephen street to the city limits, in the city of Kingston, as a local improvement under the provisions of the Local Improvement Act.

Passed July 27th, 1925.

WHEREAS it is expedient that the work hereinafter described should be undertaken as a local improvement, and notice of the intention of the Council to undertake such work has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that paving with macadam on Division street from Stephen street to the city limits, in the city of Kingston, should be undertaken as a local improvement under the provisions of the Local Improvement Act, as set out in Schedule "A" hereto annexed.

2. That as above mentioned and declared the paving with macadam on Division street from Stephen street to the city limits, in the city of Kingston, be done as a local improvement under the provisions of the Local Improvement Act.

3. The engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the direction and orders of such engineer.

5. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of the Council, to be declared by resolution.

6. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessments shall be paid by five annual instalments, that period being within the lifetime of the work.

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed, shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and to be made payable within five years on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Kidd presented By-law No. 34, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Driscoll in the chair, and was signed and sealed as follows:

BY-LAW NO. 34, 1925.

A by-law to authorize the construction of sheet asphalt pavement and concrete walk on certain streets in the city of Kingston as local improvements under the provisions of the Local Improvement Act.

Passed Aug. 24th, 1925.

WHEREAS it is expedient that the works hereinafter described should be undertaken as local improvements, and notice of the intention of the Council to undertake such works has been duly published.

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a sheet asphalt pavement on a four-inch concrete base on Victoria street from Brock street to Johnson street, and the construction of a concrete walk on the east side of Victoria street from Brock street to Johnson street, all as set out in schedule hereto annexed and marked "A,' shall be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the construction of a sheet asphalt pavement on a four-inch concrete base on Victoria street from Brock street to Johnson street, and the construction of a concrete walk on the east side of Victoria street from Brock street to Johnson street, all as set out in a

schedule hereto annexed and marked "A," be constructed each as a local improvement under the provisions of the Local Improvement Act.

3. That before proceeding with the work of constructing the said asphalt pavement with a four-inch concrete base on Victoria street from Brock street to Johnson street, all the necessary private drain connections be made from the main sewer to the street line on both sides, and also all necessary water mains, service pipes and stop cocks be laid, and all necessary alterations in the same be made, and also all necessary gas mains, service pipes and stop cocks be laid and all necessary alterations in the same be made, and that the cost of the water or gas service pipes and stopcocks and any alterations in the same and the costs of the private branch drains and connections be specially assessed on the particular lots to serve which they are constructed or effected, and the lots effected and to be specially assessed for such additional works are set out in the schedule hereto annexed marked "B."

4. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of contracts for the executions of the works.

5. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

6. The Mayor and Clerk are authorized to cause a contract or contracts for the construction of the works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

7. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of them.

8. The special assessment for the sheet asphalt pavement shall be paid by ten annual instalments, that period being the lifetime of the said work, and the special assessment for the

concrete walks shall be paid by twenty annual instalments, that period being within the lifetime of the said work.

9. The debentures to be issued for the loan to be effected to pay for the cost of the works when completed, shall bear interest at a rate to be fixed by a money by-law to be hereinafter passed by the Council, and to be made payable within ten years for the sheet asphalt pavement on a four-inch concrete base, and within twenty years for the concrete walk, both on the sinking fund plan, and in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than 5½% per annum.

10. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the Special Assessment Roll has been certified by the Clerk, and at any time thereafter by the payment of such a sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

BY-LAW NO. 35, 1925.

A By-law to authorize the construction of concrete walks on certain streets in the city of Kingston, as local improvements under the provisions of the Local Improvement Act.

Passed October 19th, 1925.

WHEREAS it is expedient that the construction of concrete walks on the east side of Ontario street, from Princess street southerly sixty-six feet, and on the north side of Joseph street, from Montreal street westerly one hundred and fifty-five feet, in the said city of Kingston, should be undertaken as local improvements, and notice of the intention of the Council to undertake such work has been duly published;

THEREFORE, the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of concrete walks should be undertaken as local improvements under the provisions of the Local Improvement Act.

2. That as above determined and declared, the said concrete walks be constructed as local improvements under the provisions of the Local Improvement Act.

3. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessment shall be paid by twenty annual instalments (which is within the lifetime of the work).

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by the Council, and be made payable within twenty years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investments shall not be estimated at more than four per cent. per annum.

9. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without the interest, forthwith after the Special As-

sessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sum as when invested at four per cent. per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This By-law shall come in force and take effect on its passing.

BY-LAWS.

Ald. Kidd presented By-law No. 40, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Holder in the chair, and was signed and sealed as follows:

BY-LAW NO. 40, 1925.

A By-law to construct a tile sewer on the street in the city of Kingston hereinafter mentioned as a local improvement under the provisions of the Local Improvement Act.

Passed Nov. 30th, 1925.

WHEREAS it is expedient that the construction of the work hereinafter described shall be undertaken as a local improvement, and notice of the intention of the Council to undertake such work has been duly published.

AND WHEREAS the Provincial Board of Health has approved of the construction of the said sewer;

THEREFORE the Municipal Council of the corporation of the city of Kingston enacts as follows:

1. That it is determined and declared, this by-law being passed by a vote of two-thirds of all the members of the Council, that it is desirable that the construction of a nine-inch tile sewer on Brock street, in the city of Kingston, from Nelson street to Victoria street, as set out in the schedule hereto attached marked "A" should be undertaken as a local improvement under the provisions of the Local Improvement Act.

2. That as above determined and declared the said sewer be constructed on the said street, in the said city, as a local

improvement under the provisions of the Local Improvement Act.

3. The Engineer of the corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

4. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

5. The Mayor and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council, to be declared by resolution.

6. The Treasurer may (subject to the approval of the Council) agree with any bank or person for the temporary advances of money to meet the cost of the work pending the completion of it.

7. The special asssesment shall be paid by twenty annual instalments (which is within the lifetime of the work).

8. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at a rate to be fixed by a money by-law to be hereafter passed by Council, and to be made payable within twenty years on the sinking fund plan, and, in settling the sum to be raised annually to pay the debt, the rate of interest on investment shall not be more than four per cent. per annum.

9. Any person whose lot is especially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without the interest, forthwith after the Special Assessment Roll has been certified by the Clerk and at any time thereafter by the payment of such sums as, when invested at four per cent. per annum, will provide an annuity sufficient to pay the special rates for the unexpired portion of the term as they fall due.

This by-law shall come in force and take effect on its passing.

City Clerk. Mayor.

SCHEDULE.

BY-LAWS.

Ald. Kidd presented By-law No. 41, 1925. The by-law was read a first time, and the 31st rule being suspended by two-thirds vote a second and third time, the second being in committee of the whole, Ald. Joyce in the chair, and was signed and sealed as follows:

BY-LAW NO. 41, 1925

A By-law to open up and establish a continuation of Alice street.

Passed Dec. 14th, 1925.

WHEREAS the corporation of the city of Kingston has acquired the following from Queen's University at Kingston, for the purpose of opening up and establishing a continuation of Alice street, in said city;

AND WHEREAS the owners of and other persons interested in the land to be taken for the highway have consented in writing to the passing of this by-law for establishing and laying it out.

THEREFORE BE IT ENACTED by the Council of the corporation of the city of Kingston as follows:

1. The following lands are hereby opened up and established as a continuation of Alice street and a public highway in the city of Kingston, named Alice street, namely: those parcels or tracts of land in the city of Kingston composed of the northerly sixty-six feet of lot 3 fronting on Albert street, and the southerly thirty-one and eight-tenth feet of lot thirty-five and the northerly thirty-four and two-tenth feet of lot thirty-six fronting on Collingwood street, and which may be more particularly described as follows: Commencing at a point in the westerly limit of Albert street where the northerly limit of lot 3 intersects the said street; thence westerly along said northerly limit and its westerly production four hundred and twenty-three feet more or less to the east limit of Collingwood street; thence southerly along the east limit of Collingwood street sixty-six feet; thence easterly and parallel to the north limit of lot three and its production a distance of four hundred and seven feet more or less to the west limit of Albert street; thence northerly along the west limit of Albert street sixty-

six feet more or less to the place of beginning and containing an area of 0.63 acres, be the same more or less.

This by-law shall come in force and take effect on its passing.

AMBROSE SHEA

Ald. Laturney presented report No. 81 (b) from the Committee on City Property and Markets as follows:

This Committee begs leave to report on the work done this year as follows:

ONTARIO GOVERNMENT DISPENSARY

The occupant of this portion of the city buildings complained of the basement being cold and unfit for work. This matter was investigated, and at a small cost one of the large radiators from the City Hall was installed and the basement is now very comfortable, and the men can work in their shirt sleeves. The stairs leading to the basement were in bad condition, and they were replaced.

FAIR GROUNDS

New sheds were built, and the north portion of the palace shingled. The shingling was very much appreciated by the exhibitors, as the rain came through the old roof and destroyed their exhibits. A new walk was constructed from the main gateway to the palace, and was highly commented upon by those using it this year, and especially on account of the rainy weather. The ladies' lavatory was also improved.

ISLAND MARKET

The roof on the Island Market was leaking badly, and we thought a new one would have to be put on, but we gave it a coat of roof paint, and it will now in all probability last for years. The "prison look" of this place has now disappeared owing to the replacement of the iron barred doors to windows with stone sills. It is now receiving its "white robe' 'inside and is in a good, clean condition. This has met with the entire approval of all those using the market.

CITY BUILDINGS

You are all familiar with the much needed work that has been carried on for some time past. The stone work has been

excellently done, and has improved the look of the building greatly. The roof has been given a coat of roofing paint, and the small cupolas have received a coat of good weather paint. The Chief of Police is greatly pleased with the work done in his office, and says he is proud to have people come into it now.

MURDOCK FARM

Two of the houses are rented, and the revenue for next year will amount to $290.

The revenue from the different sources is as follows:

Fair Grounds	$ 228 34
City Hall	810 00
Vendors' rent	1200 00
Murdock farm	220 00
Markets	2246 81
	$4705 15

We merely quote these figures because some of our citizens think everything is going out and nothing coming in.

This commitee desires to impress upon the City Property Committee for next year the importance of continuing with the work on the city buildings. This is very essential, and delay in this regard may result in a far greater expenditure.

In conclusion we wish to thank His Worship, the rest of the Council, and Dr. Sands for their kind co-operation during the year.

Respectfully submitted,
